RUN HIDE SEEK

The scientists got it DEAD wrong. Their work in genetics has unleashed something that has killed off every living thing... except humans.

Somewhere in Singapore, a 15-year-old wakes up with no memory, except that there is something she needs to do. With nowhere to go, she joins a band of young survivors to hunt food and stay alive. But is that enough? Some adults are changing... developing a new kind of hunger.

The only way out? RUN.

Run Hide Seek is the bestselling trilogy by 16-year-old Gabby Tye. Gabby will be visiting the school on 18 March!
