About Fleur

Fleur is an Australian-born graphic designer and now lives in Singapore where she feels very fortunate to be able to spot an Oriental Pied Hornbill or handsome grey monkey looking suspiciously at her through her living room window. She also really appreciates the yearlong summer.

Afternoon Tea at Raffles Hotel

What do the animals from the Singapore Zoo do on their day off? They meet for cake and tea at Raffles Hotel, of course.

This book for early readers is a celebration of important landmarks and icons in Singapore. The vibrantly illustrated pages are filled with all the characters from the Singapore Zoo and all our favourite Singaporean things - taxis, shophouses, Raffles Hotel, Merlions and more.

Afternoon Tea at Raffles Hotel was inspired by the story of a tiger that really and truly escaped and was found in the famous hotel.
